

INSTRUCTIONS REGARDING EXAMINATION

1. No student is allowed to leave the school during school hours. If any one goes, he / she will be marked absent for that day. Specially in Test Schedule, if any student goes from school, he/she will be marked absent in that particular test.
2. If any student happens to feel unwell or falls sick then he/she must not come to school. In such cases his/her parents should see the principal personally with a leave application of their sick ward with a medical certificate. They will be marked as on leave instead of absent. In case of absence in class-test, average will be taken from other tests appeared in individual subject and as a result, there will be no effect on percentage.
3. There will be no re-examination in case a student remains absent/on leave in any Test.
4. Admit cards will not be issued to the students of Class X & XII if they don't satisfy the CBSE requirement of the 75% of the total attendance.
5. Leave application for not appearing in any class test or terms exam will be considered till one day after the commencement of exams.
